03

ANCES

3.1 ANCES INVESTMENT

3.2 ANCES OPEN INNOVATION

3.3 EIBT BR

3.1

ANCES INVESTMENT

GROWTH INVESTMENT

ANCES gestiona una cartera de 12-15 proyectos seleccionados, que tienen necesidades de inversión de más de 0,2M€ para mover los fondos de inversión, foros, etc.

SEED GROWTH

We have a platform to upload CEEI and BIC projects, with lower investment needs and for those companies that are at an earlier stage, so that other CEEIs can present it to their network of private investors.

2.3

OPEN INNOVATION

Through our presence in the ANCES office, we have established a network of contacts with large Spanish multinational companies, such as SACYR, IBERDROLA, FERROVIAL... which are interested in the purchase of innovative services and products.

3.1

EIBT BRAND

BIC Euronova offers its related companies the opportunity to obtain the EIBT mark, the certificate of recognition for Innovative Companies of Technological Base. The EIBT brand is a hallmark of quality for companies that want to have a differentiating element.

This certificate offers preferential access to several services in different support and accompaniment programs: networking days of EIBT and large companies, participation in open innovation forums, search and access to investor groups, specialized training and access to the innovative public procurement market.

The Companies that have been awarded the EIBT brand have the full guarantees to demonstrate their potential as a first-class innovative project to investment agents, grantee institutions and potential distributors.

A photograph of a modern, multi-story building with a curved facade and large glass windows. The building is identified by a sign on its upper left corner that reads "BIC EURONOVA". The foreground features a paved plaza with several potted plants. A semi-transparent blue rectangular box is overlaid on the center of the image, containing white text. The sky is clear and blue.
